PETITION TO REVIVE AN UNINTENTIONALLY ABANDONED APPLICATION

Commissioner for Patents
Washington, D.C. 20231

Sir:

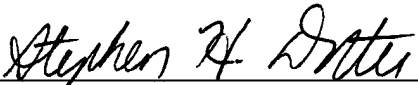

Pursuant to 37 CFR § 1.137(b), the applicants respectfully petition to revive the patent application identified above. The applicants' representative, by his signature below, attests to the fact that the delay in filing a response to the Office Action mailed April 24, 2001 was unintentional, and further that this Petition to Revive the unintentionally abandoned application is made without undue delay.

Pursuant to 37 CFR § 1.137 (b), enclosed with this Petition are the following: (1) the reply required to the outstanding Office action; (2) the petition fee as set forth in 37 CFR § 1.17(m), \$1,280.00; and (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional. No terminal disclaimer is required under 37 CFR § 1.137(d) since the application was not filed before June 8, 1995.

The Commissioner is authorized to charge any deficiency or credit any excess in the fees
to Deposit Account No. 13-2490.

Respectfully submitted,

Dated: May 22, 2002
